

## LIST OF TABLES

---

S-1	ASCC Planning and Operating Criteria .....	S- 4
S-2	Summary Comparison of Alternatives .....	S-16
1-1	Purchasers’ Percentage Shares of Bradley Lake Capacity and of Annual Project Costs.....	1- 2
1-2	Reference Numbers for Studies Addressing Key Project Issues.....	1-10
1-3	Electrical Utility Planning Criteria.....	1-11
1-4	Applicable ASCC Planning and Operating Criteria.....	1-15
1-5	Quartz Creek Transmission Line - Unscheduled Outages .....	1-16
1-6	Quartz Creek Transmission Line – Causes of Unscheduled Outages .....	1-17
1-7	Railbelt Electrical Utility Customers .....	1-17
1-8	Comparison of Peak Demand Forecast for 2010 (MW) .....	1-21
1-9	HEA Annual Outage Hours Per Consumer Five-Year Averages .....	1-21
1-10	Railbelt Systems Frequency Deviation and Load Shedding Events .....	1-25
1-11	Net Present Worth of Benefits for the Project.....	1-30
1-12	Summary of Benefits and Costs .....	1-31
2-1	Alternative Screening Summary .....	2- 2
2-2	Quartz Creek 115kV Transmission Line Avalanche Risk Exposure 1991 .....	2-14
2-3	Avalanche Damage to the Quartz Creek Line.....	2-14
2-4	Summit Lake Group Avalanches Involving 50 Percent or More of the Path .....	2-16
2-5	Alternative Route Segments.....	2-29
2-6	Overview of Alternative Route Descriptions .....	2-33
2-7	Transition Sites – Summary of Locations and Features.....	2-48
2-8	Substation Sites – Summary of Locations and Features .....	2-49
2-9	Typical Construction Equipment and Access Conditions.....	2-52
2-10	Underground Construction .....	2-53
2-11	Alternatives Route Option Comparison .....	2-62
3-1	Impact Significance Criteria.....	3- 4
3-2	Impacts and Mitigations Common to Most Alternative Routes.....	3-15
3-3	Major Vegetation Types and Characteristic Species Crossed by the SIP .....	3-36
3-4	Impacts on Acres of Upland Vegetation for Alternative Routes.....	3-40
3-5	Impacts on Acres of Wetland Vegetation for Alternative Routes.....	3-42
3-6	Bird Species of the Kenai Peninsula and Anchorage Area .....	3-50
3-7	Terrestrial Mammal Species.....	3-57
3-8	Fish Species of Freshwater Environments .....	3-99
3-9	Fish Species of Marine Environments .....	3-112
3-10	Marine Mammal Species.....	3-112
3-11	KPB and Communities within Project Area Racial Composition, 1990.....	3-151

List of Tables (continued)

3-12	KPB and Communities within Project Area Income/Poverty Level, 1990.....	3-151
3-13	KPB Communities Employment 1990 U.S. Census Data.....	3-152
3-14	KPB Wage and Salary Employment.....	3-153
3-15	Kenai Soldotna Area Employment: 1990-1995.....	3-154
3-16	Historical Population Estimates Anchorage and KPB.....	3-158
3-17	Anchorage Population by Planning Areas - 1990 to 1996.....	3-158
3-18	Anchorage - Municipality of Anchorage Racial Composition, 1990.....	3-159
3-19	Anchorage - Municipality of Anchorage Income/Poverty Level, 1990.....	3-159
3-20	Anchorage Employment by Industry.....	3-160
3-21	Annual Unemployment Rate in U.S., Alaska, and Anchorage 1980-1996.....	3-161
3-22	Anchorage Average Monthly Wage by Industry - 1990-1995.....	3-162
3-23	RV and Campground Facilities in the Kenai Flats Area.....	3-171
3-24	Alaska Surface Transportation Implementation Plan (SIP) for 1998-2000.....	3-181
3-25	Railbelt Population and Income Data, 1996.....	3-190
3-26	Environmental Justice Data, Kenai Peninsula, 1990.....	3-194
3-27	Environmental Justice Census Data for Anchorage Tracts/ Block Groups with Transmission Lines.....	3-200
3-28	Route Alternatives by Census Tract/Block Group for Anchorage Area.....	3-202
3-29	Recreation Areas and Travelways, Viewpoint and Viewing Areas.....	3-217
3-30	Cultural Resource Inventory.....	3-268
3-31	State Regulations that Limit Field Strengths on Transmission Line Rights-of-Way	3-275
3-32	IRPA General Public Exposure Guidelines.....	3-275
3-33	Electric Field Values for Assumed Right-of-Way.....	3-278
3-34	Magnetic Field Values for Assumed Right-of-Way.....	3-279
3-35	Estimated Cumulative Project Area of Impact on the KNWR.....	3-288
3-36	Future Projects.....	3-291
3-37	Cumulative Impact Analysis.....	3-292
3-38	Short-Term Uses Versus Long-Term Productivity.....	3-302
3-39	Irreversible and Irrecoverable Commitment of Resources.....	3-310
4-1	Summary of Letters Received from Agencies, Communities, and Special Interest Groups.....	4- 3
4-2	Contacts with Agencies and Organizations.....	4- 5
4-3	CWG Representation.....	4- 8
4-4	Issues Raised by CWG Members.....	4- 9
4-5	Issues Identified.....	4-12
4-6	Environmental Laws, Authority, and Related Statutes and Orders.....	4-23
4-7	Permits and Approvals.....	4-26
